

20.04.18

Dear Parents,

Welcome to the start of the Summer Term. We are very much looking forward to the term ahead and we hope that the following information proves useful to you, however please feel free to come and discuss with us any other questions you may have.

**Curriculum:**

We will be continuing to work with children from other year groups, primarily Year 6, which will help the children share ideas and extend their learning collaboratively.

Our topic this term is 'Clothing in the 20<sup>th</sup> Century'. We will be looking back at British social history in the 20<sup>th</sup> Century and how this was entwined with fashion, textiles and materials. The children will be working in groups that will focus on either everyday wear, military uniform or sportswear. They will be taking part in a number of activities and tasks that will provide them with the knowledge to produce a fashion show at the end of term where they will have to organise everything from costumes to commentary. The children will be keeping track of everything they do by creating a magazine every week that will take the reader on a clothing journey through the decades. We will be teaching this topic through a variety of workshop style sessions, where children will work with teachers, in groups and independently to develop a range of skills and abilities.

'Clothing in the 20<sup>th</sup> Century'

- Topic

**Overview:**

Art – Designing clothing considering techniques, materials and textiles.

D&T – Making and evaluating items of clothing from the 20<sup>th</sup> century.

History – Looking at changes in British social history with a particular focus on chronology.

Computing – Design and research.

**Science – Properties and Changes of Materials**

We will be learning about different materials, their uses and their properties, as well as dissolving, separating mixtures and irreversible changes. The children will sort and classify objects according to their properties. They will explore the properties of materials to find the most suitable material for different purposes. The children will work scientifically and collaboratively to investigate the best thermal insulator to make a lunch box, making predictions and forming conclusions. They will have the opportunity to work in a hands-on way to explore dissolving, identifying the different variables in their own investigations. They will find out about different ways to separate mixtures of materials, using filtering, sieving and evaporating. Finally, they will learn about irreversible changes, and participate in two exciting investigations to create new materials, including casein plastic and carbon dioxide.

**Playtime:**

In Key Stage 2 we are keen that children think carefully about making healthy choices for their playtime snacks. Please can children in Key Stage 2 bring in a fruit snack for playtimes rather than eating alternative snacks. Children should also remember to bring in a **water** bottle each day, which can be kept in the classroom. Please can all children make sure that they **name** their water bottle and remember to take their water bottles home at the end of the day, thank you. Please can we remind you that the children should only bring water in their water bottles, thank you.

We do ask that children **do not** bring nuts into school for break or lunchtime as we have a number of children who have nut allergies and as such, we are a nut free school.

### **Parent Helpers:**

At Howes we recognise the valuable contribution that all members of our community make to our school. We are always happy to welcome helpers into the classroom, so if you would like to volunteer to help in any way please speak to Mrs Bolland. Here are some of the ways you may like to offer support:

- By joining the Friends of Howes team
- By hearing children read
- By supporting us on school trips
- By helping to organise Accelerated Reader or other resources

### **Behaviour Expectations**

Howes is a friendly and caring community and we are keen for our children to take on these and other values. We will continue to follow our “Golden Rules” to ensure that there are clear expectations for pupils at Howes. We would very much like parents and carers to help us in reinforcing these values with your children.

To encourage pupils to make the right choices, we will be having ‘Power Hour’ at the end of the term to reward children for their good behaviour, however pupils who have broken the Howes “Golden Rules” during the week will miss some or all of the time from this session. Alternatively, in some circumstances they may be asked to spend time reflecting on their behaviour during playtime or lunchtime.

### **Celebration Assemblies**

Our Friday Celebration Assemblies will be continuing this term at 9.00am. Two children from each class will be nominated to receive an award for an aspect of outstanding work, achievement or behaviour. Parents will be invited to come into school for the assembly when their child is awarded their certificate. You will receive a letter on a Wednesday to inform you that your child has been nominated.

### **PE Kit:**

This term Year 5 pupils will have PE lessons on a Monday afternoon. Please ensure that your child has a **clearly named** PE kit which should consist of a T-shirt, shorts and pumps; they should also bring suitable kit for outdoor lessons. PE kits should be brought into school in a named, drawstring bag please. If for any reason your child is unable to take part in PE lessons we require a note of explanation.

Please can you remind your children that earrings should be removed before PE lessons.

### **Swimming:**

This term year 5 children will be taking part in swimming lessons every Friday afternoon. The children must bring with them a swimming costume/shorts and a towel in a separate bag to travel with them.

### **Uniform:**

In our first assembly this academic year Miss Cooke spoke to the children about taking great pride in their appearance and wearing the correct school uniform. Staff will be reminding children about the uniform expectations at school regularly. Please support us in ensuring that your child wears the correct uniform, thank you.

### **Recommended Clothing**

- Royal blue sweatshirts/cardigan
- White polo shirt
- Grey trousers/skirt/pinafore dress
- Blue checked dress in summer if preferred
- Plain shoes (not trainers)
- Reversible waterproof fleece jacket.

At Howes we ask the children to wear a pair of outdoor shoes to and from school and whilst outside at playtime/lunchtime as this enables them to make the most of the school grounds during the wetter weather.

Once they arrive at school we ask the children to change into indoor shoes. Please could we ask you to encourage your child to bring a pair of named indoor shoes to keep at school, such as slippers, school shoes or pumps. Thank you.

Children with long hair should come to school with their hair tied back please.

Please can we remind you that nail varnish should not be worn at school.

### **Jewellery**

For safety reasons children should not wear jewellery to school. We ask that children with pierced ears should only wear stud earrings.

**Homework:**

We ask you to encourage your child to complete and return their homework on time each week. Please ensure that you sign your child's home school diary at home each week.

**Accelerated Reader** – Children in Key Stage 2 will have the opportunity to read for 30 minutes in school on most days. An important part of the Accelerated Reading (AR) programme is that children read for a sustained period on a daily basis. Children should aim to spend at least 30 minutes **each day** reading their books as part of their homework.

**Maths** – Pupils will be receiving Maths homework weekly during the term. It will normally be designed to build on the topics they are working on that week or to introduce new subjects in preparation for lessons to come. We will go through the answers every week in class. This term it will come in the form of a revision booklet with a different task to complete each week.

**English** – This term, pupils will be given a 'SPAG (Spelling, Punctuation and Grammar) activity booklet to complete. There will be a different task for each week. In addition to this, every Tuesday your child will be given a set of spellings to learn and will be tested on them the following Tuesday.

**Topic** – Children may be asked to complete extra tasks as part of our current topic.

**Absences and Medical Needs:**

We would like to remind you that if your child is going to be absent, please telephone the school office at the number above as soon as possible. Any medication that your child requires during the day should be given to the Office, for a First Aider, in the original container and a medical administration consent form needs to be completed. Inhalers must be named and be handed in to your child's class teacher to be stored safely in the classroom.

**Timings of the day:**

Attendance at Howes is improving, however this term we need to work together to maintain and further improve this. It is essential that all pupils arrive promptly in order to start the school day at 8.55am. So that children are ready to come into school at this time, we would ask that all children are present on the playground at least 5 minutes before the school bell sounds.

The end of the school day for pupils in Key Stage 2 is at 3.20pm. Please note that this is 5 minutes later than Key Stage 1 pupils.

**Important Events for Year 5 Pupils:**

Tuesday 24 <sup>th</sup> April	What's Wicked at Whitley/Class Photograph
Monday 7 <sup>th</sup> May	Bank Holiday- school closed to children
Wednesday 16 <sup>th</sup> May	Year 5 Trip to Safeside
Friday 25 <sup>th</sup> May	Last Day of Half Term
28 <sup>th</sup> May – 1 <sup>st</sup> June	Half Term- school closed to children
4 <sup>th</sup> June- 8 <sup>th</sup> June	INSET week- school closed to children
Friday 15 <sup>th</sup> June	Non-uniform day/Disco
Wednesday 4 <sup>th</sup> July	Class swap
Monday 9 <sup>th</sup> July	Year 5/6 performance dress rehearsal
Wednesday 11 <sup>th</sup> July	Year 5/6 performances
Wednesday 25 <sup>th</sup> July	Last day of Summer Term

We are looking forward to continuing to working with you and your children this term.

Yours sincerely,

Mr Watson  
Miss White
