

Early Years Pupil Premium – Eligibility Check

In order to identify those children who may benefit, the local authority will need to confirm eligibility by carrying out a simple check. Families who receive one or more of the benefits listed below (within the declaration), are likely to be eligible to the early years pupil premium, which the Early Years Setting will receive to enhance your child’s early education experience.

DECLARATION OF ENTITLEMENT – Please read the following carefully before signing.

The local authority will use the information you have provided to confirm that you are in receipt of one of the listed benefits (below) by checking out of work benefit data provided by HMRC and DWP. We would like your consent to make this check.

I currently receive one or more of the following benefits:

- Income Support
- Income-based Jobseekers Allowance
- Income-related Employment and Support Allowance
- Support under Part VI of the Immigration and Asylum Act 1999
- The guaranteed element of State Pension Credit
- Child Tax Credit (provided you’re not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on – paid for 4 weeks after you stop qualifying for Working Tax Credit

I understand that the local authority will only use the information I have provided to establish eligibility for early years pupil premium, which will be claimed by the Early Years Setting to improve the quality of early education for my child/children. I am free to withdraw my consent so that my details are not used in future. (Whether you use this scheme or not will not affect any of the benefits you may be entitled to).

Signature of claimant: _____ Date: _____

Once completed, your child’s Early Years Setting will then forward the information on this page to the local authority so that the eligibility check can be completed. The Early Years Setting will then confirm whether they can claim the early years pupil premium for your child/children.

Or if the child has been:

- looked after by the local authority for at least one day
- have been adopted from care
- have left care through special guardianship; and subject to a child arrangement order setting out with whom the child is to live (formerly known as residence orders)

I will provide evidence of this to the Early Years Setting.

I / We do not currently receive any of the listed benefits and the statements above do not apply to my child
