

KS2 Parents!

Tuesday 16th January
9.00am – 11.00am

'Help Your Child Get Ahead With Maths'

Howes Primary School

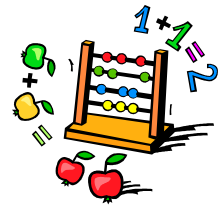

A 5 week course

Does 'Primary School Maths' confuse you?
Is maths different to when you went to school?
Is it very difficult to know how to help with homework?

Come along on Tuesday 16th January and begin to find out how the school teaches **maths and the best ways to help at home**

You will find out about:

- the new ways children are taught maths
- the new maths curriculum
- how to help with maths homework
- fun maths activities to share at home

We'd love to see you and you really will be helping your child!

The sessions are friendly and fun, with free resources to help you help your children. Refreshments will be provided and there is a FREE crèche too!

Please fill in the reply slip below and return to your child's teacher or the school office, if you would like to attend this programme.

Help your child with KS2 Maths
