1 Definitions

1.1 'Safeguarding' is defined in Keeping Children Safe in Education (2018) as;

- protecting children from maltreatment;
- preventing impairment of children's health or development;
- ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and
- taking action to enable all children to have the best outcomes.

1.2 'Child Protection' is the intervention that occurs when children have been significantly harmed or are at risk of significant harm.

1.3 'Child' refers to everyone under the age of 18.

1.4 'Parent' refers to birth parents and other adults in a parenting role for example adoptive parents, step parents and foster carers.

1.5 'Staff' or 'members of staff' refers to all teaching, non-teaching, support, supply, peripatetic, contract staff, governors, volunteers and trustees working in or on behalf of Howes Primary School.

2 Introduction

2.1 We recognise that safeguarding and child protection is an essential part of our duty of care to all students and all staff have a responsibility to provide a safe environment in which children can learn. We understand that safeguarding, child protection and promoting the welfare of all children is everyone's responsibility and everyone has a role to play in protecting children. We recognise that our school is part of a wider safeguarding system for children and work closely with other agencies to promote the welfare of children. We maintain an attitude of 'it could happen here' and will consider the wishes of, and at all times, what is in the best interests of each child.

2.2 The purpose of this policy is to;

- Promote safeguarding and child protection and to demonstrate Howes Primary School's commitment to keeping children safe;
- Provide all members of staff with the information required to meet their safeguarding duty and protect children from harm;
- Provide stakeholders with clear information relating to Howes Primary School's safeguarding and child protection procedures;
- Ensure that staff understand, can recognise and can respond to the indicators of abuse;
- Ensure that all staff are aware of their mandatory reporting duty in relation to Section 5B of the Female Genital Mutilation Act 2003; and
- Ensure that children are protected from maltreatment or harm.

2.3 Howes Primary School is committed the following principles;

- All children have the right to be protected from harm.
- Children should feel safe and secure and cannot learn unless they do so.
- All staff are responsible for keeping children safe and have a responsibility to act if they think a child is at risk of harm.

- Working with other agencies is essential to promote safeguarding and protect children from harm.
- Early help and providing support to families and/or children as soon as a problem emerges is essential to improving outcomes for children and families.

2.4 Safeguarding aims

2.4.1 The safeguarding aims of Howes Primary School, in line with Keeping Children Safe in Education (September 2018) are to;

- work to identify children who are suffering or likely to suffer harm or abuse and act to protect them;
- work with relevant services and agencies to ensure that children are protected from harm;
- provide a learning environment for children which is safe and secure;
- teach children how to keep themselves safe and provide structures for them to raise concerns if they are worried or at risk of harm;
- ensure that we adhere to safer recruitment guidance and legislation, deal promptly with allegations of abuse against staff and take bullying and harassment seriously;
- train staff effectively in all safeguarding issues and in their responsibilities for identifying and protecting children that are or may be at risk of harm;
- recognise that all children may be vulnerable to abuse, but be aware that some children have increased vulnerabilities due to special educational needs or disabilities;
- maintain a robust recording system for any safeguarding or child protection information;
- ensure that everyone at Howes Primary School understands the safeguarding procedures; and to
- regularly review policies and procedures to ensure that children are protected to the best of our ability.

2.5 This policy adheres to the following documents;

- [Keeping Children Safe in Education \(September 2018\)*¹](#)
- Working Together to Safeguard Children (June 2018)*
- [Guidance for Safer Working Practice for those working with children and young people in education settings \(2015\)](#)
- [What to do if you are worried a child is being abused: Advice for practitioners \(2015\)](#)

2.6 Please note that there are a number of other documents (statutory and non-statutory) that inform our policy and practice. A list of these can be found in Annex A of Keeping Children Safe in Education (September 2018).

2.7 This policy should be read in conjunction with the following policies; Positive Behaviour Policy, Attendance Policy, Anti- bullying policy, E- safety Policy, Staff Code of Conduct.

A list of these policies can be found in Appendix A. All policies are kept in the Headteachers office.

¹ Guidance marked with an asterisk (*) is statutory.

2.8 Scope

2.8.1 This policy applies to all teaching, non-teaching, support, supply, peripatetic, contract staff, governors, volunteers and trustees working in or on behalf of Howes Primary School. All references in this document to 'staff' or 'members of staff' should be interpreted as relating to the aforementioned unless otherwise stated.

2.8.2 Rather than duplicating content from Keeping Children Safe in Education (September 2018) in this policy, it should be understood that Howes Primary School will always refer to this document as the benchmark for all safeguarding practice.

3 Roles and Responsibilities

3.1 The Role of the Governing Body

3.1.1 The Governing Body has appointed a member of the board to take leadership responsibility for safeguarding. This role is carried out by Sue Roberts (Chair of Governors). Part 2 of Keeping Children Safe in Education (September 2018) sets out the responsibilities of governing bodies. As part of these overarching responsibilities the Governing Body will;

- Ensure that they comply with their duties under legislation;
- Ensure that policies, procedure and training in Howes Primary School are effective and comply with the law at all times and that they allow concerns to be responded to in a timely manner;
- Ensure that Howes Primary School takes into account local authority and Coventry Local Safeguarding Board policies and supply information as requested by the CSCB;
- Ensure that Howes Primary School has an effective child protection policy, that it is published on Howes Primary School's website or available by other means and review this annually;
- Ensure that Howes Primary School has a staff behaviour policy or Code of Conduct;
- Ensure that all staff undergo safeguarding and child protection training on induction;
- Put in place appropriate safeguarding responses for children who go missing from education;
- Appoint an appropriate member of staff from the senior leadership team to the role of designated safeguarding lead;
- Ensure that appropriate filters and monitoring systems are in place to keep children safe online; and
- Respond to allegations of abuse against the headteacher.

3.2 The Role of the Headteacher

3.2.1 The headteacher will;

- Ensure that this policy is reviewed annually and ratified by the governing body;
- Ensure that this policy and associated procedures are adhered to by all staff;
- Ensure that all staff are made aware of the named governor for safeguarding and the designated safeguarding lead;
- Ensure that the role of 'Designated Safeguarding Lead' is explicit in the role-holder's job description;

- Decide whether to have one or more deputy safeguarding leads and ensure they are trained to the same standard as the Designated Safeguarding Lead;
- Organise appropriate cover for the role of Designated Safeguarding Lead for any out of hour/out of term activities;
- Appoint a 'Designated Teacher for Looked-After Children' to promote the educational achievement of children looked after;
- Appoint a lead for online safety;
- Ensure that all recruitment follows the 'Safer Recruitment' guidance and a single, central record is maintained with details of all members of staff who are in contact with children;
- Respond to allegations of abuse against all other members of staff;
- Refer cases where a person is dismissed or left due to risk/harm to a child to the Disclosure and Barring Service as required;
- Safeguard children's wellbeing and maintain public trust in the teaching profession as part of their professional duties (Teaching Standards, 2012); and
- Ensure that children's social care have access to Howes Primary School to conduct, or to consider whether to conduct a section 47 or section 17 assessment, as per Keeping Children Safe in Education (September 2018).

3.3 The Role of the Designated Safeguarding Lead

3.3.1 The Designated Safeguarding Lead for Howes Primary School is Mandy Mair. The Designated Safeguarding Lead will;

- Take overall lead responsibility for safeguarding and child protection at Howes Primary School;
- Act as a source of support and expertise on matters relating to safeguarding and child protection to ensure that other members of staff can carry out their safeguarding duty;
- Be best placed to advise on the response to safeguarding concerns;
- Liaise with the Local Authority and work with other agencies in line with 'Working Together to Safeguard Children (2018);
- Identify if children may benefit from early help;
- Make referrals to Coventry's Multi-Agency Safeguarding Hub (MASH) where children are at risk of significant harm.
- Make referrals to the Channel programme where there is a radicalisation concern and/or support staff that make a referral to Channel;
- Support the school with regards to their responsibilities under the Prevent duty and provide advice and support on protecting children from radicalisation;
- Refer cases to the police where a crime may have been committed;
- Be available during school or college hours for staff to discuss any safeguarding concerns. In the event that they are not available, a deputy will be made available;
- Undertake training to equip them with the skills to carry out the role and update this every two years;
- Ensure all staff have read and understood Part 1 and Annex A of Keeping Children Safe in Education (September 2018);
- Update their knowledge and skills regularly and keep up with any developments relevant to their role;
- Provide staff in school with the knowledge, skills and support required to safeguard children;

- Take responsibility for the accurate and timely recording of safeguarding and child protection concerns and take overall responsibility for safeguarding and child protection files;
- Take responsibility for the transfer of safeguarding files when a child leaves Howes Primary School;
- Attend or ensure an appropriate representative attends multi-agency safeguarding or child protection meetings;
- Work closely with other relevant education professionals (e.g. SENCO, Virtual School Head) to ensure children with additional vulnerabilities are safeguarded;
- Promote a 'culture of safeguarding', in which every member of Howes Primary School community acts in the best interests of the child;
- Regularly meet with the safeguarding link governor and/or Chair of Governors to review safeguarding in Howes Primary School; and
- Liaise with the headteacher regarding safeguarding cases and issues.

3.3.2 Further details on the role of the Designated Safeguarding Lead can be found in Annex B of Keeping Children Safe in Education (September 2018).

3.4 The Role & Responsibilities of all Staff within School

3.4.1 School staff play a particularly important role because they are in a position to identify concerns early in order to provide help for children. All staff at Howes Primary School;

- Have a responsibility to provide a safe environment, where children can learn;
- Should know what to do if a child tells them that he/she is being abused or neglected;
- Will be able to identify indicators of abuse;
- Will be made aware of; the safeguarding and child protection policy; the school behaviour policy; the staff behaviour policy; information about the safeguarding response to children missing in education; the role of the designated safeguarding lead and systems in Howes Primary School that support safeguarding and child protection;
- Will be provided with a copy of Part 1 of Keeping Children Safe in Education (September 2018) annually and receive annually updated training on their safeguarding roles and responsibilities;
- Should know what to do if a child makes a disclosure of abuse and never promise confidentiality when a child makes a disclosure;
- Will be made aware of the early help process and understand their role in it;
- Should be prepared to identify children who may benefit from early help and will discuss early help requirements with the safeguarding lead in the first instance;
- May be required to support social workers and other agencies following a referral;
- Will be made aware of the process for making referrals to Children's Social Care (through the MASH), understand statutory assessments and the role that they may be expected to play in such assessments;
- Should be prepared to make referrals to the MASH if they have concerns about a child's welfare and understand the role that they may be expected to play in such assessments;
- Will receive regularly updated safeguarding and child protection training;
- Will receive safeguarding updates throughout the year as part of continuous professional development;
- Should be able to contribute to the development of safeguarding policy and practice.

- Should always seek advice from the Designated Safeguarding Lead if they are unsure; and
- All teachers should safeguard children’s wellbeing and maintain public trust in the teaching profession as part of their professional duties (Teaching Standards, 2012).

4 Types of abuse

4.1 As outlined above, all staff will be trained in indicators of abuse and should be able to recognise signs of abuse. We recognise that abuse, neglect and safeguarding issues are complex and can rarely be covered by one label. Abuse can take many forms and can involve directly inflicting harm on a child, or failing to protect a child from harm. The four main types of abuse that staff are trained to recognise are;

- Physical abuse;
- Sexual abuse;
- Emotional abuse;
- Neglect.

4.2 Types of abuse (Taken from Working Together to Safeguard Children, 2018)

Type of abuse	Information
Abuse	A form of maltreatment of a child. Somebody may abuse or neglect a child by inflicting harm, or by failing to act to prevent harm. Children may be abused in a family or in an institutional or community setting by those known to them or, more rarely, by others (e.g. via the internet). They may be abused by an adult or adults, or another child or children.
Physical abuse	A form of abuse which may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.
Emotional abuse	The persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child’s emotional development. It may involve conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or ‘making fun’ of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond a child’s developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyber bullying), causing children frequently to feel frightened or in danger,

4.3 Indicators of abuse can be found in Appendix B.

4.4 If a child is in immediate danger or at risk of harm, a referral will be made to children's social care (through the MASH) and any member of staff can make this referral. A Designated or Deputy Designated Safeguarding Lead should be available at all times, but in exceptional circumstances the member of staff should speak to a member of the Senior Leadership Team or seek advice directly from social care and then take appropriate action. The Designated Safeguarding Lead should be made aware as soon as possible.

4.5 Staff, parents and the wider community should report any concerns that they have about the welfare of children, however minor or seemingly insignificant. Staff should not assume that someone else will report concerns.

4.6 Howes Primary School recognises that any child can be the victim of abuse and may benefit from early help. However, Howes Primary School will be particularly vigilant to potential need for early help if a child;

- Is disabled and have specific additional needs;
- has special educational needs (whether or not they have a statutory education, health and care plan);
- is a young carer;
- is showing signs of being drawn in to anti-social or criminal behaviour, including gang involvement and association with organised crime groups;
- is frequently missing/goes missing from care or from home;
- is misusing drugs or alcohol themselves;
- Is at risk of modern slavery, trafficking or exploitation;
- is in a family circumstance presenting challenges for the child, such as substance abuse, adult mental health problems or domestic abuse;
- has returned home to their family from care;
- is showing early signs of abuse and/or neglect;
- is at risk of being radicalised or exploited;
- is a privately fostered child.²

4.7 Howes Primary School recognises that abuse can take many different forms. Staff will also receive training on the following issues and action will be taken if Howes Primary School believes that a child is at risk of or is the victim of;

- physical abuse;
- sexual abuse;
- child sexual exploitation;
- emotional abuse;
- neglect;
- bullying, including cyber- or online-bullying;
- criminal exploitation (including involvement in county lines);
- domestic abuse;
- fabricated or induced illness;
- faith-based abuse;

² Taken from paragraph 18, Keeping Children Safe in Education (September 2018)

- female genital mutilation;
- forced marriage;
- gangs or youth violence;
- gender-based violence;
- hate;
- honour-based violence;
- radicalisation;
- relationship abuse;
- sexual violence or sexual harassment (including peer on peer abuse);
- sexting;
- trafficking and modern slavery.

4.8 Howes Primary School will also take action to protect;

- Children missing education;
- Children missing from home or care.

4.9 There are other familial issues that can have a detrimental impact on children.

We work with other agencies in line with Keeping Children Safe in Education (2018) to support children and families in the following circumstances;

- Children facing the court procedures and/or children in the court system;
- Children with family members in prison;
- Children who are homeless.

4.10 Howes Primary School have a duty to refer any children who are living in a private fostering arrangement to the local authority.

4.11 All schools are subject to a duty under section 26 of the Counter-Terrorism and Security Act 2015 in the exercise of their functions to have “due regard” to the need to prevent people from being drawn into terrorism. See Appendix B for further information on Howes Primary School’s Prevent duty.

4.12 If any member of staff is unsure about signs of abuse or neglect, they should speak to the Designated Safeguarding Lead.

4.13 See Appendix B for further information and guidance on the above issues.³

5. Responding to signs of abuse

5.1 If a member of staff, parent or member of the public is concerned about a child’s welfare, they should report it to the designated safeguarding lead as soon as possible. On occasions when the designated safeguarding lead is not available, it should be reported to the deputy safeguarding lead without delay. Although any member of staff can make a referral to

³ Please note that definitions of physical, sexual, emotional abuse and neglect are contained in the main body of the policy. Further information about other safeguarding issues and indicators of abuse can be found in Appendix B.

Children's social care, where possible there should be a conversation with the Designated Safeguarding Lead.

5.2 If anyone other than the Designated Safeguarding Lead makes a referral to children's social care or to the police, they should inform the DSL as soon as possible.

5.2 All staff will be alert to indicators of abuse and will report any of the following to the Designated Safeguarding Lead immediately;

- Any concern or suspicion that a child has sustained an injury outside what is reasonably attributable to normal play;
- Any concerning behaviours exhibited by children that may indicate that they have been harmed or are at risk of harm, including unusual changes in mood or behaviour, concerning use of language and/or concerning drawings or stories.
- Any significant changes in attendance or punctuality;
- Any significant changes in a child's presentation;
- Any concerns relating to people who may pose a risk of harm to a child; and/or
- Any disclosures of abuse that children have made;

5.3 There will be occasions where a child discloses abuse directly to a member of staff. If this happens, the member of staff will;

- listen carefully to the child and believe what they are saying;
- not promise confidentiality, as information may need to be passed on so the child and family can receive additional support;
- only ask for clarification if something is unclear and will not ask 'leading' questions;
- report disclosure to the designated safeguarding lead as soon as possible, certainly by the end of the day;
- only discuss the issue with colleagues that need to know about it; and
- write up the disclosure and pass it to the designated safeguarding lead. It is likely they will have a discussion with the DSL prior to this.

5.4 The designated safeguarding lead will make a decision about the action that needs to be taken following a member of staff raising a concern about a child, or following a direct disclosure. The DSL may;

- Manage support for the child internally;
- Seek advice from the social worker advice line in the MASH;
- Instigate single agency intervention and work directly with the family to improve the situation;
- Offer an Early Help Assessment to provide multi-agency help to a family;
- In cases where children are deemed to be at significant risk of harm, the DSL will refer cases to the MASH for statutory intervention. Parental consent will be obtained wherever possible before referring cases to the MASH. However, if Howes Primary School is worried that telling parents will mean the child is at greater risk of harm, we may do this without informing them.
- If parents do not consent to a referral but the school believes that a child is at significant risk of harm, a referral will still be made to children's social care.

5.5 For further information about the Coventry Safeguarding Children Board's 'Right Help, Right Time' guidance, which is used by Howes Primary School to make decisions about protecting children, please visit <http://www.coventry.gov.uk/righthelprighttime>.

5.6 See page 16 for flowchart of actions that will be taken where there are concerns about a child (taken from Keeping Children Safe in Education, September 2018).

5.7 In cases where members of staff become aware that Female Genital Mutilation (FGM) has been carried out on a female below the age of 18, they have a mandatory duty to report this to the police without delay and will do so. Staff should refer this to the DSL, but the legislation requires regulated health and social care professionals and teachers in England and Wales to make a report to the police where, in the course of their professional duties, they either;

- are informed by a girl under 18 that an act of FGM has been carried out on her; or
- observe physical signs which appear to show that an act of FGM has been carried out on a girl under 18 and they have no reason to believe that the act was necessary for the girl's physical or mental health or for purposes connected with labour or birth.⁴

5.8 Howes Primary School understands that both adults and other children can perpetrate abuse, and peer on peer abuse is taken very seriously. Peer on peer abuse can include bullying, cyber-bullying, physical abuse, sexting, sexual violence and/or harassment and initiation/hazing ceremonies. The school recognise that safeguarding issues can manifest as peer on peer abuse.

5.8.1 The school will ensure that staff understand what is meant by peer on peer abuse and the school policy on peer on peer abuse by including this in the annual staff safeguarding training.

5.8.2 The school will work to prevent peer on peer abuse and will seek to minimise the risk of peer-on-peer abuse by:

- Challenging any form of derogatory or sexualised language or behaviour
- Being vigilant to issues that particularly affect different genders – for example, sexualised or aggressive touching or grabbing towards female pupils, and initiation or hazing type violence with respect to boys
- Ensuring our curriculum helps to educate pupils about appropriate behaviour and consent
- Ensuring pupils know they can talk to staff confidentially.
- Ensuring staff are trained to understand that a pupil harming a peer could be a sign that the child is being abused themselves, and that this would fall under the scope of this policy

5.8.3 In the event that an allegation of peer on peer abuse is made, Howes Primary School will investigate this thoroughly. Most cases of pupils hurting other pupils will be dealt with under the school's behaviour policy but this child protection and safeguarding policy will apply to any allegations that raise safeguarding concerns. This might include where the alleged behaviour is serious and potentially a criminal offence could put pupils in the school at risk, is violent, involves pupils being forced to use drugs or alcohol, involves sexual exploitation or sexual abuse, such as indecent exposure, sexual assault, or sexually inappropriate pictures or videos (including sexting)

⁴ *introduced in Section 5B of the FGM Act 2003, as inserted by section 74 of the Serious Crime Act 2015

5.8.4 In the event that an allegation of peer on peer abuse is made You must tell the DSL and record the allegation, but do not investigate it

The DSL will contact the local authority children's social care team and follow its advice, as well The DSL will put a risk assessment and support plan into place for all children involved – both the victim(s) and the child(ren) against whom the allegation has been made – with a named person they can talk to if needed. The DSL will contact the children and adolescent mental health services (CAMHS), if appropriate.

5.8.5 Howes Primary School will never pass off peer on peer abuse as 'banter' or 'part of growing up'.

5.8.6 While peer-on-peer abuse can affect all children research shows that some are particularly vulnerable including those with a history of abuse within their families, young people in care, those who have experienced loss through bereavement and children with special educational needs and disabilities.

5.8.7 Howes Primary School will adhere to guidance set out in Keeping Children Safe in Education (2018) and Sexual Violence and Sexual Harassment in Schools (May 2018) when responding to incidents of peer on peer abuse.

5.9 Youth Produced Sexual Imagery ('sexting')

5.9.1 'Sexting' refers to any sharing of youth-produced sexual imagery between children. This includes;

- A person under the age of 18 creating and sharing sexual imagery of themselves with a peer under the age of 18;
- A person under the age of 18 sharing sexual imagery created by another person under the age of 18 with a peer under the age of 18 or an adult;
- A person under the age of 18 being in possession of sexual imagery created by another person under the age of 18.

5.9.2 Howes Primary School has a responsibility to educate children in the risks relating to 'sexting' and how to keep themselves safe online. **(See Esafety Policy)**

5.9.3 Any incidents or suspected incidents of 'sexting' should be reported to the DSL without delay.

5.9.4 Once reported to the DSL, the DSL will decide on the appropriate course of action. This could include;

- Confiscation of mobile phones in line with guidance 'Searching, Screening and Confiscation,(January 2018);
- Referrals to the police and/or MASH;
- Sanctions in accordance with behaviour policy;
- Support for young people involved to prevent reoccurrence;

5.9.5 Howes Primary School recognises that safeguarding incidents can be associated with factors outside the school and may take place outside of school. We will always consider contextual safeguarding factors when responding to safeguarding incidents.

5.9.6 Any incidents of 'sexting' involving the following will result in a MASH and/or Police referral;

- Adult involvement;
- Coercion or blackmail;
- Children under the age of 13;
- Extreme, or violent content;
- Immediate risk of harm.

5.9.7 Staff will not view images or videos on pupil devices. Confiscated devices will be stored securely and passed to the relevant agencies.

5.9.8 We will work with parents as necessary if their child is involved in 'sexting'.

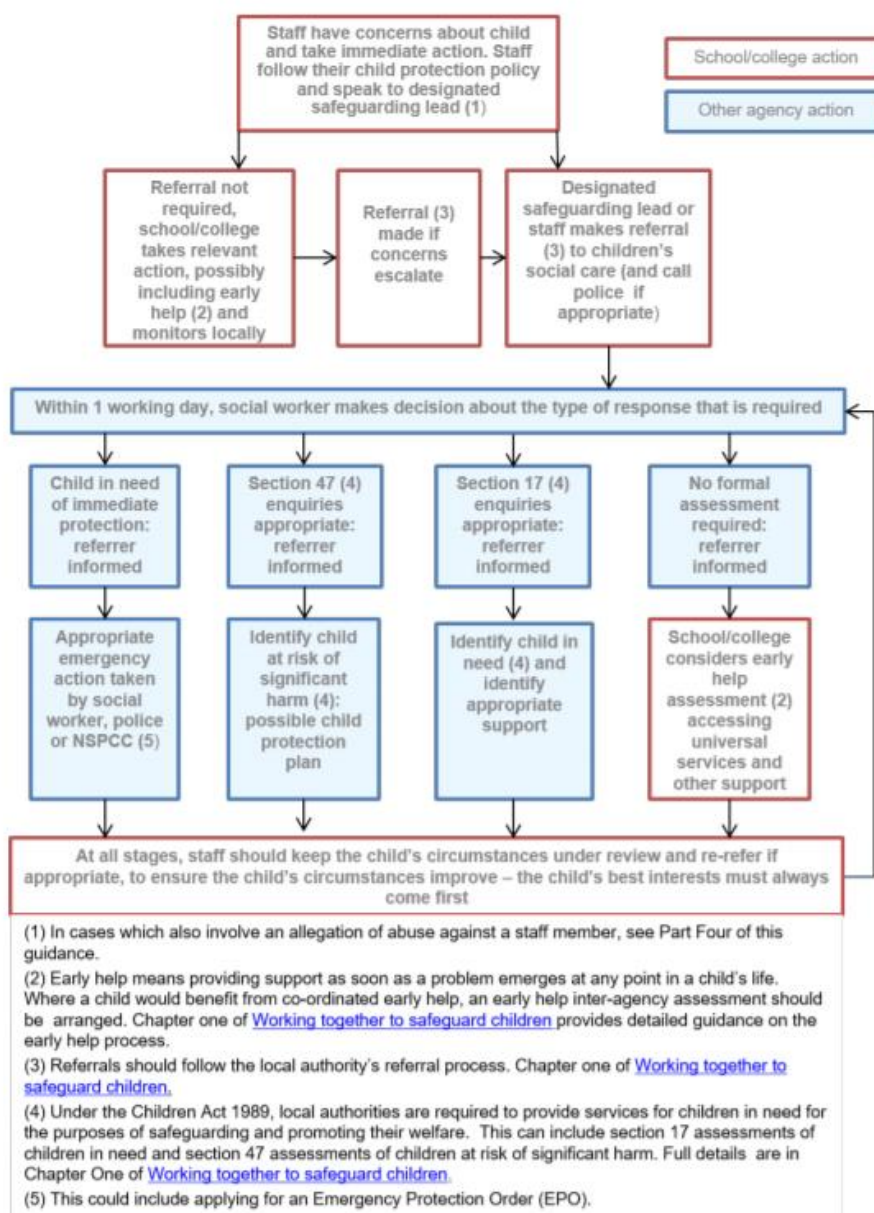

5.9.9 We operate a culture of safeguarding and young people should feel confident to disclose if they have sent an inappropriate image of themselves. Children will always be supported to retrieve and delete the images.

5.10 Searching, Screening and Confiscation

5.10.1 Where necessary, searching, screening and confiscation will be used to safeguard a child/children at Howes Primary School.

5.10.2 Howes Primary School adheres to 'Searching, Screening and Confiscation: Advice for Schools (Jan 2018). See Physical Intervention Policy

Actions where there are concerns about a child

5.11 To raise concerns about children, members of staff should contact the Multi-Agency Safeguarding Hub (MASH) by telephone to discuss the referral. They should then complete the online Multi-Agency Referral Form (MARF) and submit this to the MASH. The school will follow up referrals if we do not receive feedback from social care.

MASH Telephone number: 02476 788 555

MASH online referral form: <http://www.coventry.gov.uk/safeguardingchildren>

Out of hours Emergency Duty Team: 02476 832 222

Prevent/Channel Referrals: Refer to MASH and to CTU_GATEWAY@west-midlands.pnn.police.uk

5.12 If a child's situation does not appear to be improving following a referral, the school may re-refer the child. We will also consider using the [LSCB's Escalation Policy](#) to ensure that our concerns have been addressed and that the situation improves for the child.

6.Record-keeping

6.1 A written record of all safeguarding and/or child protection concerns, discussions and decisions made will be kept in individual children's files. This will be separate from the main school file and will only be accessed by the relevant safeguarding staff.

6.2 Howes Primary School keeps all safeguarding information in files kept in a locked cupboard.

6.3 Staff will submit all concerns in writing to the DSL at the earliest opportunity. This may be after having a verbal conversation, but conversations will also be followed up in writing.

6.4 In the event that a child moves school, the safeguarding file will be transferred to the new setting securely and separately from the main school file. Once received by the new school, this school will not retain the information.

6.4 The school will seek at least two emergency contacts for every child.

6.5 All data processed by Howes Primary School is done so in line with the General Data Protection Guidelines. Please see the following policies for additional information;

Howes Primary School Data Protection Policy April 2018

7.Photography and Images

7.1 Consent from parents to photograph children at school events for promotional reasons will be sought when the child joins Howes Primary School. We will seek this permission annually.

7.2 Parents can withdraw consent at any time and must notify Howes Primary School if they do not wish their child's photographs to be used.

7.3 Photographs of children used publicly will not be displayed with their name or other personal information.

7.4 Photographs of children will be processed in line with the General Data Protection Regulation.

8.Early Help

8.1 Howes Primary School is committed to supporting families as soon as a possible problem arises. It is more effective to support a family through early help than reacting to a problem later. Everyone who comes into contact with children and their families and carers have a role to play in safeguarding children. Howes Primary School works closely with its neighbouring family hub to work with families in the community to improve outcomes for children.

Our neighbouring hub is Gosford

Our school hub is Woodside 02476788430

8.2 Howes Primary School works within the LSCB [‘Right Help. Right Time’](#) framework, available on the LSCB website.

9. Staff training

9.1 In order for staff to be able to understand and discharge their safeguarding and child protection duties, Howes Primary School has committed to training staff throughout the academic year. All staff members will be made aware of Howes Primary School’s safeguarding processes and structures and will receive training on these as part of their induction. As part of this training and their annual refresher, they will also receive;

- This ‘Safeguarding and Child Protection Policy’;
- The staff Code of Conduct
- Copies of Part 1 and Annex A of Keeping Children Safe in Education (September 2018)
- School procedures for Children Missing Education
- The school Behaviour Policy
- Staff Handbook

9.2 Staff at Howes Primary School will; also undertake specific training on

- *Prevent*
- *FGM*
- *CSE*
- *Private Fostering*
- *Team Teach*
- *Mental Health Awareness.*

The DSL and deputies will undertake child protection and safeguarding training at least every 2 years.

In addition they will update their knowledge and skills at regular intervals and at least annually through DSL briefings, e-bulletins, meeting other DSL’s or taking time to digest safeguarding developments.

All governors receive training about safeguarding, to make sure they have the knowledge and information needed to perform their functions and understand their responsibilities.

9.3 Howes Primary School recognises that children may engage in risky behaviours that may put them at additional risk of danger. These can include drug taking, alcohol abuse, truanting and ‘sexting’⁵. Staff will be training in these areas in order to be able to further recognise if a child is at risk of harm.

10. Safer Recruitment

10.1 Howes Primary School is committed to providing children with a safe environment, in which they can learn. We take safer recruitment seriously and all staff are subject to the following checks;

- Identity check;
- DBS clearance;
- Prohibition from teaching checks (where required);
- Barred List check;

⁵ Also known as ‘youth produced sexual imagery’.

- Section 128 checks (as required - leadership and management);
- Reference check (two references required);
- Professional qualifications check ;
- Right to work in the UK check;
- Further checks for those who have lived outside the UK;
- Disqualification Under the Childcare Act 2006 checks (as required).

10.2 A record of all checks on members of staff will be held on the Single Central Record.

10.3 All new members of staff will be required to obtain DBS clearance. Howes Primary School reserves the right to re-check DBS clearance for any member of staff where information is received that indicates that they may pose a risk to children.

10.4 At least one member of every interview panel will have undergone Safer Recruitment training.

10.5 We take proportionate decisions on whether to check individuals beyond what is required.

10.6 Any visitor to the school who has not been subject to the necessary checks will be supervised at all times.

10.7 All safer recruitment practices at Howes Primary School comply with Keeping Children Safe in Education (September 2018). See Part 3 of Keeping Children Safe in Education (September 2018) for further information.

10.8 See Safer Recruitment policy for further details.

11. Allegations of abuse against staff

11.1 Howes Primary School takes all allegations against staff seriously and will manage them in line with this policy, Part Four of Keeping Children Safe in Education (September 2018) and the LSCB Guidance, [‘Managing Allegations against Staff and Persons in a Position of Trust’](#).

11.2 If a concern or allegation of abuse arises against the Headteacher, it must be reported to the Chair of Governors without delay.

11.3 If a concern or allegation of abuse arises against any member of staff other than the Headteacher, it must be reported to the Headteacher without delay.

11.4 Allegations of abuse against staff must be reported to the Headteacher or Chair of Governors as appropriate and not discussed directly with the person involved.

11.5 The Headteacher or Chair of Governors should consider if the allegation meets the threshold for Designated Officer intervention. The Local Authority designated officer is Angie Bishop and contact details can be found at the front of this policy.

11.6 Concerns relating to a position of trust issue will be referred to the Local Authority designated officer within 24 hours.

11.7 If a child has suffered abuse or harm, a MASH referral will also be made.

11.8 In the instances where an allegation is dealt with internally, the Local Authority designated officer will provide information and support to Howes Primary School in managing the allegation.

11.9 A referral to the Disclosure and Barring Service will be made if a member of staff is dismissed or removed from their post as a result of safeguarding concerns, or would have been removed if they had not have resigned.

11.9 Whistleblowing

11.9.1 Howes Primary School operates a culture of safeguarding and all staff should report any concerns about poor or unsafe practice, or Howes Primary School's safeguarding processes to the senior leadership team.

11.9.2 The senior leadership team will take all concerns seriously.

11.9.3 In the event that a member of staff is unable to raise an issue with senior leadership in school, they should refer to Part 1 of Keeping Children Safe in Education for additional guidance on whistleblowing procedures.

12.Promoting safeguarding and welfare in the curriculum

12.1 Howes Primary School recognises the importance of teaching children how to stay safe and look after their mental health and are committed to equipping children with the skills and knowledge to have successful and happy lives.

12.2 Children at Howes Primary School will receive the following as part of our promotion of safeguarding across the curriculum:

- We will challenge any form of derogatory or sexualised language or behaviour
- We will be vigilant to issues that particularly affect different genders – for example, sexualised or aggressive touching or grabbing towards female pupils, and initiation or hazing type violence with respect to boys
- We will ensure our curriculum helps to educate pupils about appropriate behaviour and consent
- We will ensure pupils know they can talk to staff confidentially and that our staff are trained appropriately.
- We will offer PSHE Education Programme endorsed by the PSHE Association to support pupils' spiritual, moral, cultural, mental and physical development and ensure that children are taught about safeguarding, including online, through teaching opportunities as part of providing a broad and balanced curriculum.

13.Children Looked After

13.1 The most common reason for children to be looked-after is because they have experienced abuse and/or neglect. Howes Primary School recognises that children looked after may have additional vulnerabilities. The Designated Lead for Looked-After and Previously Looked-After Children is Mandy Mair.

13.2 Staff will receive training on how to best safeguard children who are Looked-After and Previously Looked-After.

13.3 The school will work with Personal Advisors when children leave care (where applicable).

13.4 Howes Primary School is committed to working with other agencies to ensure the best outcomes for Looked-After and Previously Looked-After children.

14.Children with Special Educational Needs

14.1 As outlined in Keeping Children Safe in Education (2018), Howes Primary School is aware that children with additional needs or disabilities may be more vulnerable to abuse and additional barriers may exist when recognising abuse and neglect. This could be because;

- assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's disability without further exploration;
- being more prone to peer group isolation than other children;
- the potential for children with SEN and disabilities being disproportionately impacted by behaviours such as bullying, without outwardly showing any signs; and
- communication barriers and difficulties in overcoming these barriers.⁶

14.2 Staff will be trained in recognising signs of abuse in children with SEN and disabilities.

14.3 Staff will take into account the needs of a child when responding to concerns of abuse or when taking a disclosure. We recognise that some children require specialist intervention to communicate and advice from the SENCO will be sought in these circumstances.

14.4 Safeguarding learning opportunities within the curriculum will be appropriately differentiated to ensure all children can access it.

15.Use of reasonable force

15.1 There may be occasions when staff are required to use reasonable force to safeguard children. We will not use any more force than is necessary.

All staff are trained in de-escalation techniques and positive handling strategies. If positive handling strategies are required these must be recorded in the Team Teach Log held in the Headteacher's office. See Policy for Physical Intervention and Behaviour Policy.

16.Summary

16.1 The school is committed to safeguarding children and will always make safeguarding decisions that are in the best interests of each child. For further information or if you have any queries about this policy, please contact Howes Primary School.

Appendix A

Howes Primary School's safeguarding policy is intended to be used in conjunction with the following policies which can be found in the Headteacher's office..

⁶ Keeping Children Safe in Education, September 2018

The school adheres to Coventry Local Safeguarding Children Board's Policies, which can be found here: <http://www.proceduresonline.com/covandwarksscb/contents.html>

Appendix B – Further Safeguarding Information

Types of Abuse

As outlined in paragraph 4.6, the school will take action if we believe a child is at risk of or is suffering from abuse. Abuse is not limited to physical, emotional, sexual abuse and neglect. For further information on the definitions of the types of abuse below, please refer to Keeping Children Safe in Education 2018, Annex A.

See below for policy information relating to other key safeguarding issues. All decisions taken in responding to concerns of abuse will be taken in the best interests of the child.

Bullying, including cyber- or online-bullying

see Behaviour Policy, Esafety Policy

Domestic abuse

We subscribe to Operation Encompass which provides alerts for the DSL's.

Child sexual exploitation

Child sexual exploitation (CSE) is a form of sexual abuse where children are sexually exploited for money, power or status.

This can involve violent, humiliating and degrading sexual assaults, but does not always involve physical contact and can happen online. For example, young people may be persuaded or forced to share sexually explicit images of themselves, have sexual conversations by text, or take part in sexual activities using a webcam.

Children or young people who are being sexually exploited may not understand that they are being abused. They often trust their abuser and may be tricked into believing they are in a loving, consensual relationship.

If a member of staff suspects CSE, they will discuss this with the DSL. The DSL will trigger the local safeguarding procedures, including a referral to the local authority's children's social care team and the police, if appropriate.

Indicators of sexual exploitation can include a child:

- Appearing with unexplained gifts or new possessions
- Associating with other young people involved in exploitation
- Having older boyfriends or girlfriends
- Suffering from sexually transmitted infections or becoming pregnant
- Displaying inappropriate sexualised behaviour
- Suffering from changes in emotional wellbeing
- Misusing drugs and/or alcohol
- Going missing for periods of time, or regularly coming home late
- Regularly missing school or education, or not taking part in education

Fabricated or induced illness

Fabricated or induced illness (FII) is a rare form of child abuse. It occurs when a parent or carer, usually the child's biological mother, exaggerates or deliberately causes symptoms of illness in the child.

FII covers a wide range of symptoms and behaviours involving parents seeking healthcare for a child. This ranges from extreme neglect (failing to seek medical care) to induced illness.

Behaviours in FII include a mother or other carer who:

- persuades healthcare professionals that their child is ill when they're perfectly healthy
- exaggerates or lies about their child's symptoms
- manipulates test results to suggest the presence of illness – for example, by putting glucose in urine samples to suggest the child has diabetes
- deliberately induces symptoms of illness – for example, by poisoning her child with unnecessary medication or other substances

FII is also known as "Munchausen's syndrome by proxy" (not to be confused with Munchausen's syndrome, where a person pretends to be ill or causes illness or injury to themselves).

If a member of staff suspects FII is taking place they should inform the DSL or a member of the safeguarding team.

We ensure that pupils are aware that they should not be harmed, regardless of their beliefs or faith and advise all children how to seek help if they are worried about something

Female genital mutilation

Any member of staff who suspects a pupil is *at risk* of FGM , must speak to the DSL and follow our local safeguarding procedures.

The DSL will make sure that staff have access to appropriate training to equip them to be alert to children affected by FGM or at risk of FGM.

Indicators that FGM has already occurred include:

- A pupil confiding in a professional that FGM has taken place
- A mother/family member disclosing that FGM has been carried out
- A family/pupil already being known to social services in relation to other safeguarding issues
- A girl:
 - Having difficulty walking, sitting or standing, or looking uncomfortable
 - Finding it hard to sit still for long periods of time (where this was not a problem previously)
 - Spending longer than normal in the bathroom or toilet due to difficulties urinating
 - Having frequent urinary, menstrual or stomach problems

- Avoiding physical exercise or missing PE
- Being repeatedly absent from school, or absent for a prolonged period
- Demonstrating increased emotional and psychological needs – for example, withdrawal or depression, or significant change in behaviour
- Being reluctant to undergo any medical examinations
- Asking for help, but not being explicit about the problem
- Talking about pain or discomfort between her legs

Potential signs that a pupil may be at risk of FGM include:

- The girl's family having a history of practising FGM (this is the biggest risk factor to consider)
- FGM being known to be practised in the girl's community or country of origin
- A parent or family member expressing concern that FGM may be carried out
- A family not engaging with professionals (health, education or other) or already being known to social care in relation to other safeguarding issues
- A girl:
 - Having a mother, older sibling or cousin who has undergone FGM
 - Having limited level of integration within UK society
 - Confiding to a professional that she is to have a "special procedure" or to attend a special occasion to "become a woman"
 - Talking about a long holiday to her country of origin or another country where the practice is prevalent, or parents stating that they or a relative will take the girl out of the country for a prolonged period
 - Requesting help from a teacher or another adult because she is aware or suspects that she is at immediate risk of FGM
 - Talking about FGM in conversation – for example, a girl may tell other children about it (although it is important to take into account the context of the discussion)
 - Being unexpectedly absent from school
 - Having sections missing from her 'red book' (child health record) and/or attending a travel clinic or equivalent for vaccinations/anti-malarial medication

The above indicators and risk factors are not intended to be exhaustive.

Forced marriage - Forced marriage

Forcing a person into marriage is a crime. A forced marriage is one entered into without the full and free consent of one or both parties and where violence, threats, or any other form of coercion is used to cause a person to enter into a marriage. Threats can be physical or emotional and psychological.

Staff will receive training around forced marriage and the presenting symptoms. We are aware of the 'one chance' rule, i.e. we may only have one chance to speak to the potential victim and only one chance to save them.

If a member of staff suspects that a pupil is being forced into marriage, they will speak to the pupil about their concerns in a secure and private place. They will then report this to the DSL.

The DSL will:

- Speak to the pupil about the concerns in a secure and private place
- Activate the local safeguarding procedures and refer the case to the local authority's designated officer
- Seek advice from the Forced Marriage Unit on 020 7008 0151 or fm@fco.gov.uk
- Refer the pupil to an education welfare officer, pastoral tutor, learning mentor, or school counsellor, as appropriate

Radicalisation and Extremism

Where there is a concern, the DSL will consider the level of risk and decide which agency to make a referral to. This could include Channel, the government's programme for identifying and supporting individuals at risk of being drawn into terrorism, or the local authority children's social care team.

Preventing radicalisation

Radicalisation refers to the process by which a person comes to support terrorism and forms of extremism. Extremism is vocal or active opposition to fundamental British values, such as democracy, the rule of law, individual liberty, and mutual respect and tolerance of different faiths and beliefs.

Schools have a duty to prevent children from being drawn into terrorism. The DSL will undertake Prevent awareness training and make sure that staff have access to appropriate training to equip them to identify children at risk.

We will assess the risk of children in our school being drawn into terrorism. This assessment will be based on an understanding of the potential risk in our local area, in collaboration with our local safeguarding children board and local police force.

We will ensure that suitable internet filtering is in place, and equip our pupils to stay safe online at school and at home.

There is no single way of identifying an individual who is likely to be susceptible to an extremist ideology. Radicalisation can occur quickly or over a long period.

Staff will be alert to changes in pupils' behaviour.

The government website Educate Against Hate and charity NSPCC say that signs that a pupil is being radicalised can include:

- Refusal to engage with, or becoming abusive to, peers who are different from themselves
- Becoming susceptible to conspiracy theories and feelings of persecution
- Changes in friendship groups and appearance
- Rejecting activities they used to enjoy

- Converting to a new religion
- Isolating themselves from family and friends
- Talking as if from a scripted speech
- An unwillingness or inability to discuss their views
- A sudden disrespectful attitude towards others
- Increased levels of anger
- Increased secretiveness, especially around internet use
- Expressions of sympathy for extremist ideologies and groups, or justification of their actions
- Accessing extremist material online, including on Facebook or Twitter
- Possessing extremist literature
- Being in contact with extremist recruiters and joining, or seeking to join, extremist organisations

Children who are at risk of radicalisation may have low self-esteem, or be victims of bullying or discrimination. It is important to note that these signs can also be part of normal teenage behaviour – staff should have confidence in their instincts and seek advice if something feels wrong.

If staff are concerned about a pupil, they will follow our procedures set out in this policy, including discussing their concerns with the DSL.

Staff should **always** take action if they are worried.

Relationship abuse

The definition of domestic violence and abuse includes young people aged 16 – 17 and aims to increase awareness that young people in this age group do experience domestic violence and abuse.

"Any incident or pattern of incidents of controlling, coercive or threatening behaviour, violence or abuse between those aged 16 or over who are or have been intimate partners or family members regardless of gender or sexuality. This can encompass but is not limited to the following types of abuse:

- *Psychological;*
- *Physical;*
- *Sexual;*
- *Financial;*
- *Emotional.*

Controlling behaviour is: a range of acts designed to make a person subordinate and/or dependent by isolating them from sources of support, exploiting their

resources and capacities for personal gain, depriving them of the means needed for independence, resistance and escape and regulating their everyday behaviour.

Coercive behaviour is: an act or a pattern of acts of assault, threats, humiliation and intimidation or other abuse that is used to harm, punish, or frighten their victim."

This definition includes 'honour' based abuse (see **Honour Based Violence Procedure**), female genital mutilation (FGM) (see **Children And Female Genital Mutilation (FGM) Procedure**) and forced marriage (see **Forced Marriage Procedure**), and is clear that victims are not confined to one gender or ethnic group.

While the cross-government definition above applies to those aged 16 or above, 'Adolescent to parent violence and abuse '(APVA) can involve children under 16 as well as over 16. See: **Information guide: adolescent to parent violence and abuse (APVA) Home Office.**

Where there is domestic violence and abuse, the wellbeing of the children in the household must be promoted and all assessments must consider the need to safeguard the children, including unborn child/ren.

For more details of the national plans to tackle domestic violence and abuse see **Ending Violence against Women and Girls Strategy 2016 – 2020 March 2016 (GOV.UK)**. This is intended to set out a life course approach to ensure that all victims – and their families - have access to the right support at the right time to help them live free from violence and abuse.

Sexting – sexting can include sending or posting sexually suggestive images using mobiles or the internet. It can also include writing and sharing explicit messages. Creating and sharing sexual photos and videos of under 18s is illegal. This include images of self for under 18's. Any incidents will be discussed with the school's DSL. The images should not be viewed unless there is a good clear reason to do so. Wherever possible the DSL response should be based on what has been disclosed about the content of the images rather than looking at them.

Trafficking and modern slavery

Modern slavery is a form of organised crime in which individuals including children and young people are treated as commodities and exploited for criminal gain. Traffickers and slave drivers trick, force and/or persuade children and parents to let them leave their homes. Grooming methods are used to gain the trust of a child and their parents, e.g. the promise of a better life or education, which results in a life of abuse, servitude and inhumane treatment.

Child trafficking or child modern slavery is identified as child abuse which requires a child protection response (see **Section 4, Protection and Action to be Taken**). It is an abuse of human rights, and all children, irrespective of their immigration status, are entitled to protection under the law.

Children are recruited, moved or transported and then exploited, forced to work or sold. See also **Trafficked Children Procedure**. The Modern Slavery Act 2015 (applicable mostly in England and Wales[1] includes two substantive offences i) human trafficking, and ii) slavery, servitude and forced or compulsory labour.

Children are not considered able to give 'informed consent' to their own exploitation (including criminal exploitation), so it is not necessary to consider the means used for the exploitation - whether they were forced, coerced or deceived, i.e. a child's consent to being trafficked is irrelevant and it is not necessary to prove coercion or any other inducement.

Boys and girls of all ages are affected and can be trafficked into, within ('internal trafficking'), and out of the UK for many reasons and all forms of exploitation - e.g. sex trafficking - children can be groomed and sexually abused before being taken to other towns and cities where the sexual exploitation continues. Victims are forced into sexual acts for money, food or a place to stay. Other forms of slavery involve children who are forced to work, criminally exploited and forced into domestic servitude. Victims have been found in brothels or saunas, farms, in factories, nail bars, car washes, hotels and restaurants and commonly are exploited in cannabis cultivation. Criminal exploitation can involve young people as drug carriers, begging and pick-pocketing. Debt bondage (forced to work to pay off debts that realistically they will never be able to), organ harvesting and benefit fraud are other types of modern slavery.

Victims often face more than one type of abuse and slavery, for example they may be sold to another trafficker and then forced into another form of exploitation.

Children and young people may be exploited by parents, carers or family members. Often the child or young person will not realise that family members are involved in the exploitation.

The Modern Slavery Act 2015 (applicable mostly in England and Wales[1]) provides two civil prevention orders – the Slavery and Trafficking Prevention Orders (STPO) and Slavery and Trafficking Risk Order (STRO). The Act also provides for the identification of child trafficking advocates along with a Duty to Notify the secretary of state about any suspected victims of slavery or trafficking.

Some young people may not be victims of human trafficking but are still victims of modern slavery. Slavery, servitude and forced or compulsory labour may also be present in trafficking cases; however, not every young person who is exploited

through forced labour has been trafficked. In **all** cases, protection and support is available through the National Referral Mechanism (NRM) process (in England and Wales[2]). The NRM is a 'victim identification and support process' for all the different agencies that may be involved (e.g. the police, Home Office, including Border Force, UK Visas and Immigration, local authorities and voluntary organisations). See **Referring a Potential Victim of Modern Slavery to the National Referral Mechanism (NRM)**.

Children missing from education, home or care

The school will also take action to protect;

- Children missing education
- Children missing from home or care

Children missing from education

A child going missing from education is a potential indicator of abuse or neglect, and such children are at risk of being victims of harm, exploitation or radicalisation.

There are many circumstances where a child may become missing from education, but some children are particularly at risk. These include children who:

- Are at risk of harm or neglect
- Come from Gypsy, Roma, or Traveller families
- Come from the families of service personnel
- Go missing or run away from home or care
- Are supervised by the youth justice system
- Cease to attend a school
- Come from new migrant families

We will follow our procedures for unauthorised absence and for dealing with children who go missing from education, particularly on repeat occasions, to help identify the risk of abuse and neglect, including sexual exploitation, and to help prevent the risks of going missing in future. This includes informing the local authority if a child leaves the school without a new school being named, and adhering to requirements with respect to sharing information with the local authority, when applicable, when removing a child's name from the admission register at non-standard transition points.

Staff will be trained in signs to look out for and the individual triggers to be aware of when considering the risks of potential safeguarding concerns which may be related to being missing, such as travelling to conflict zones, FGM and forced marriage.

If a staff member suspects that a child is suffering from harm or neglect, we will follow local child protection procedures, including with respect to making reasonable enquiries. We will make an immediate referral to the local authority children's social care team, and the police, if the child is in immediate danger or at risk of harm.

Children Missing from home or care see *attendance policy and safeguarding procedures for children missing education.*

Private Fostering

The school have a duty to refer any children who are living in a private fostering arrangement to the local authority.

We will do this through a MASH referral. It is important that parents/carers inform us if a child is going to be staying at an alternative address to that of their primary care-givers for more than **28 days**.

Indicators of abuse

See below for possible indicators of abuse. (Taken from *What to do if you are worried a child is being abused*, 2015)

- Children whose behaviour changes – they may become aggressive, challenging,
- disruptive, withdrawn or clingy, or they might have difficulty sleeping or start
- wetting the bed;
- Children with clothes which are ill-fitting and/or dirty;
- Children with consistently poor hygiene;
- Children who make strong efforts to avoid specific family members or friends,
- without an obvious reason;
- Children who don't want to change clothes in front of others or participate in
- physical activities;
- Children who are having problems at school, for example, a sudden lack of
- concentration and learning or they appear to be tired and hungry;
- Children who talk about being left home alone, with inappropriate carers or with
- strangers;
- Children who reach developmental milestones, such as learning to speak or walk,
- late, with no medical reason;
- Children who are regularly missing from school or education;
- Children who are reluctant to go home after school;
- Children with poor school attendance and punctuality, or who are consistently late
- being picked up;
- Parents who are dismissive and non-responsive to practitioners' concerns;
- Parents who collect their children from school when drunk, or under the influence
- of drugs;
- Children who drink alcohol regularly from an early age;
- Children who are concerned for younger siblings without explaining why;
- Children who talk about running away; and
- Children who shy away from being touched or flinch at sudden movements.

The school recognises that the above list of indicators is not exhaustive and staff will receive training on indicators of abuse.
