Working from home

Follow these tips to make learning from home a little easier:

- Have a routine – at school we have a focus on Maths and English in the mornings.
- Focus on key learning – in workbooks, on the daily BBC lessons and on the Department for Education Oak Academy lessons.
- Attend all online lessons and assemblies where possible.
- Keep up to date with work that has been set and send us photos of work that your child is proud of.
- Look at 'Five on Friday' website suggestions on the school website.
- Ask us for help if you need it.
