

We are very pleased that we will be able to welcome all children back to school on Monday 8th March. Our staff are currently working very hard to ensure that we are well prepared for a safe return to school.

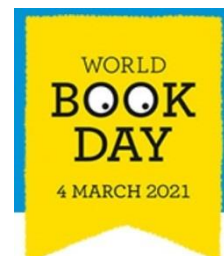

Our first week back is British Science Week, so this will mean that we have a very exciting week ahead of us. Please send the science pack back to school with your child on Monday 8th March as they will be using it.

We will be sending out further information about the return to school. Please could we ask that you check your emails and messages.

Next week we will continue with remote learning and we look forward to seeing all children at our online lessons.

To celebrate World Book Day on Thursday 4th March, we are having a whole school screen-free day. Here are some suggestions of activities that you can do as a family :

- Build a reading den and snuggle up with a book
- Make a puppet of your favourite book character – use a sock or a paper bag
- Design and make a board game linked to your favourite story
- Read a story to your family, pet or toys
- Collect items that are clues to a book. See if someone can guess the story.

Be ready to share what you have done when you go to your online lesson on Friday.

Online safety

We have been very pleased to see the majority of children have been able to attend online lessons. Just a reminder that that all children and adults should be dressed. No pyjamas please!

Breakfast club and after school clubs

From 8th March our priority will be getting all children back to school safely. For this reason, we have decided not to start our before and after school clubs until after Easter. This will help to keep all children and staff safe and allow us to be able to plan the clubs to make more use of the outdoor space.

Dates for your diary!

26th February 1.30pm: Whole school assembly – Keeping positive.
1-5 March: Online lessons as usual
Monday 8th March: Children return to school
Thursday 1st April: Last day of term
2-16 April: Easter Holiday
