

# HOME LEARNING

## New learning packs – ready for collection on 11<sup>th</sup> /12<sup>th</sup> February

Our teachers have prepared your learning packs for after half term. These include Maths books, English books, topic packs and also a very exciting Science pack. Your Science pack is for British Science Week which starts on 8<sup>th</sup> March. Please keep it safe and we will explain how to use it on the 8<sup>th</sup> March.

Please collect your work pack on Thursday 11<sup>th</sup> or Friday 12<sup>th</sup> February between 9.30am and 2.00pm. For the safety of our whole community, we ask that you wear a mask and ensure that you stay 2m apart from anyone not in your household.

Any children who are attending school on either of these days will have their work packs sent home with them at the end of the school day.

## Assembly 12<sup>th</sup> February

On Friday 12<sup>th</sup> February at 1.30pm we are having a signing and singing assembly. We would like everyone to have a go at learning two songs using these links:

### Remote learning

Well done to everyone for working so hard at home. We know that every day is different and it can sometimes be difficult to complete all the work that has been set.

Please contact us if your child needs help with their learning or you would like advice about how to motivate your child.

### Go Parks: Active School Challenge 1-28 February 2021

Visit one of the local parks, scan the Go Parks QR Code on the banners and then select Howes on the form. Each week we will accumulate points and hopefully go to the top of the leader board! Remember that you can ask your family, friends and neighbours to scan the QR codes at the parks and choose Howes. Send us your photos!
