

### Return to School

We are delighted that we will be welcoming all pupils back to school on Monday 8<sup>th</sup> March. We can't wait to see everyone again. Science packs need to be brought into school on Monday morning.

We will be working hard to keep our whole community safe at all times.

- For your safety, the staggered start and end times remain the same as last term. Please ensure that you have left the school site by 3.20pm.
- Face coverings **must** be worn on the school site.
- PE kits should be brought in on Monday and kept in school all week.
- Outdoor shoes/wellies should be brought to school. We will make use of all outdoor spaces and these are sometimes muddy.
- Children should have warm clothing and extra layers due to increased ventilation. (The Government have said that we **must** keep windows open.)
- Please do not come on to the school site if you or your family bubble has any Covid symptoms.

### British Science Week

Our staff have been planning a very exciting week of learning to celebrate British Science Week. The theme of the week is "Innovating for the Future". Children will be carrying out a wide range of science investigations, they will be meeting scientists (virtually) and they will attend live online science sessions.

Look on our Twitter, Facebook and YouTube accounts to find out what we have been doing through the week.

You can contact us by email [howes@howes.coventry.sch.uk](mailto:howes@howes.coventry.sch.uk) or you can telephone the school office during school opening times 02476 411711.
